Welcome to Denmark:

The *fib* International PhD Symposium in Civil Engineering is an established event in the academic calendar of doctoral students. The symposium has been held previously in Budapest, Vienna, Munich, Delft, Zurich, and Stuttgart and it will be held at the Technical University of Denmark from June 20-23, 2010. We welcome all attending PhD students to present their research projects to an international audience and share information and experience with colleagues from the international research community. The duration of each oral presentation will be 15 minutes plus 10 minutes for discussions. As a tradition awards are given to the most outstanding papers and presentations.

Themes:

Topics related to the general field of civil engineering including:

- Structural analysis and design
- Innovative structural systems
- Advanced materials
- Sustainability and cost efficiency
- Strengthening and repair
- Monitoring

Abstract and paper submission deadlines:

15 th October 2009	Submission of abstracts
31 st October 2009	Acceptance of abstracts
31 st December 2009	Full manuscript submission
